Society

Dear Hole-in-Oneer

Congratulations from everyone at the South African Hole-in-One Society on achieving your "perfect ace". So many golfers can only dream of this wonderful achievement and we sincerely hope that your stay with the Society will be a long and happy one.

The Society was launched in 1990 under the sponsorship of Johnnie Walker, and later, Fish Eagle. Membership now exceeds 11 000. Due to its record of consistently high standards of rewards and services to its members, the Society was invited during 2001 to become affiliated to the Worldwide Hole-in-One Society.

The South African Hole-in-One Society gives recognition to any golfer who achieves a hole-in-one that meets the following R&A approved criteria:

- » It must be achieved during a round of 9 or 18 holes on a full length course
- » It can be scored during a social round of golf; it DOES NOT have to be achieved during an official competition
- » The game must have been played according to the rules of golf

The benefits of membership of the South African Hole-in-One Society are extensive and include:

- » Lifetime membership (a once-off payment and no monthly or annual renewals)
- » A prestigious A3 personalised hole-in-one achievement certificate

- » The Exclusive Collection: a range of top quality golfing and personal items, only available to Society members
- » The opportunity to participate in at least three prestigious Society golf tournaments each year, including the annual Hole-in-One Challenge Tournament
- » Regional golf days

- » Complimentary repeat achievement certificates

The Society's range of branded golfing clothing and accessories includes:
